# A DUEER CASE.

Mrs. Reccord Swears Out a Warrant Charging John Dickson With Having Ravished Her.

He Says it Isn't so and Has Given **Bail for His Examination Next** 

But if it Wasn't Him it was Somebody, as She Swears the Assault was Committed.

A SERIOUS CHARGE. Mrs. Nanny Reccord, living northwest from the city near the Eight Mile House, has sworn out a warrant charging John Dickson, a blacksmith living in that vicinity, with having entered her house on the night of the 24th inst, last Saturday, and seizing her to prevent an outery violated her person, after beating and choking her. Mrs. Reccord is a German woman, apparently about thirty-two years of age, and the widow of the man who was killed six weeks or so ago on the track of the Kansas City, St. Joseph & Council Bluffs near Weston by being

RUN OVER BY A FREIGHT TRAIN. Reccord had been working at Weston, and after receiving his pay was trudging home-ward when he was killed. From all the evidence produced Reccord was somewhat under the influence of liquor at the time he met his death, as a bottle of the ardent was found in his pocket. Mrs. Reccord was in the city yesterday and SWORE OUT A COMPLAINT

before Judge Wood, after which deputyapprehend Dickson. He found the latter usily at work in his shop, and when made acquainted with the officer's business quietly remarked that he had expected to e arrested, but that he was not guilty of the crime charged against him. He ac-companied the officer to the city, where he

SUCCEEDED IN OBTAINING BAIL n the sum of \$500 to appear before Justice who is accused of the latter. The matter

THE ASSAULT AND VIOLATION was freely talked of in the neighborhood, Mrs. Record having told it herself and accused Dickson of being the one who committed it, yet there was little or no exciteuntil the officer came. Dickson is a very quiet, hard working and industrious man, prove that

at the time the assault is alleged to have been committed, and, at the examination next Saturday, says he will bring witnesses to prove the fact. No one seems to doubt one who knows Dickson is louth to believe

ON THE OTHER HAND Mrs Record says positively that Dickson was the man and that she recognized him The house in which she lives is in the midthem recognized the accused, this is

NOT DEFINITELY KNOWN. Dickson says he will bring a man who was Dickson says he will bring a man who was staying it his house that night, who lives formed Knghts from many cities in this in Jefferson county, to prove his where abouts. It is a strange case, and may be abouts. It is a strange case, and may be abouts. It is a strange case, and may be one of mistaken identity, although Mrs. Reccord swears most positively that she is not mistaken. Mrs. Reccord's father resides in this city.

# A KANSAN MURDERED.

The Crime Committed by a Boss Herder and the Dead Man's Wafe Said to exposition grounds. be Implicated

A correspondent at Cambridge, Clay county, Texas, writes to THE TIMES giving he information that a Kansas man named Boyer, was murdered near that place by his boss herder, and that the wife of the dead man is implicated in the crime. The corlent says that should this reach any espondent says that should the more in Boyer's friends they can learn more in regard to it by addressing him at Cam-bridge, postoffice box 16. Other papers are requested to copy, and in this way the friends of the murdered man may possibly be reached and justice dealt out to the mur-

A Tried Remedy for Bilionsness the liver will never get the upper hand of he unruly organ so long as they use such rrational remedies as blue pill, calomel and odophyllin. But from the tried and popupodophyllin. But from the tried and popular medicine, Hostetter's Stomach Bitters, they may expect relief with a certainty of obtaining it. The influence of the bitters upon the great bilinary gland is direct, powerful and speedily felt. The relief afforded is not spassmodic, but complete and permanent. The sailowness of the skin, furred appearance of the tongune, indigestion, estiveness, headache, nausea, pains through the right side and shoulder, in fact every accompaniment of the obstinate compilant are entirely and promptly removed by a course of this inestimable me litine, in beaulf of which testimony is constantly emanating from

Uncle Sam's rearness On will keep the esther soft and pliable, thus preventing its cracking or ripping, and is better for iling harness than any other oil ever made.

A meeting of the Leavenworth County Horticultural Society is called for Saturday, August 31, at two o'clock, in the Commissioners' room, at the Court House, for important business, also to consider the question of organizing a Northeastern Kansas Horticultural Society. The Time to Drain Wet Ground. [Prairie Farmer, 24 ] There is no better time than the present

A Stone Making Effment. Thousands of barrels of "terra alba," or ST. LOUIS PRODUCE MARKET white earth are every year mixed in var-ious forms with our sugars and other white substances. Its use tends to produce stone, kidney complaint, and various discases of the stomach. A large part of our cream of tartar, used in cooking contains

About Cathering Ferns. Prairie Farmer, 24] The liability of ferns to curl soon after

growth all right, and trees bear well of fine

fruit, they are doing well enough even in grass. To judge of the condition of an ap-ple tree is much like judging of the condition of sheep in a pasture. Western Butter the Rest. Prairie Farmer, 24.] Western creamery butter now sells in the New York and New England marke's for 31

A Lasting lak. Poultry husbandry should be encour According to The Pharmacist an ink that cannot be erased even with acids is obtained by the following receipt: To good gulf Georgia has named a new apple. The proof against alkalies, equally proof against

more money than that of the dairies of those

ink add a strong solution of fine soluble Prussian blue in distilled water. This addition makes the ink, which was previously acids, and forms a writing fluid which cannot be crased without destruction of the paper. The ink writes grrenish blue, and Don't Allow Weeds to Ripen Seeds.

[Boston Traveller, 21.] Don't allow weeds about your dooryard, parnyard, roadside, in the hedges of your fields, in the garden where you have taken off a crop, to ripen seed; nor should you put ripened weeds, full of seed, into your pig stye. Neglect not these hints and suggestions, lest you ere long be inquiring how o eradicate weeds. "Prevention is better than cure" is an old adage. It is the indolent, money less vagabonds,

talastry Will Kill Hard Times.

Kansas Spirit, 21].

In these hard times, if a man is hard up,

we do not care a fig whether he takes the advice of Horace Greely to "go West," but we do think he would better his condition and thirty-three for him for Governor; the hair, wool and feathers is substantially the loves work he could dig a living out of an greatly by going to work on any bit of land The Poultry World says reparate the acre quite easily. Industry will greatly Chloride of Potassium in Wool.

Gov. Anthony's friends held a caucus to- cheese is indigestible and unfit for food for tion of one part of chloride to nine parts of night; not less than one Lundred and fifty delegates were present and several hundred others. Gov. Anthony made a speech which was greeted with cheers. His lack enterprise? Enterprise is the source same time benefited. Experiments are be-

Try top-dressing grass, with fair soil or subsoil—and sand, even, if the meadow is wet—and you'll be surprised at the way the grass will grow. Y.

One bushel of sugar beets, mixed with nine bushels of apples, makes a cider richer and a superior flavor to that make from apples alone.

To prevent iron rusting give it a coat of linseed oil and whiting mixed together in the form of past. It is easily removed, and will preserve iron from rusting for years.

The Kanwas Bartey Crops.

# uall by addressing with stamp, naming the uaper, W. W. Sherar, his Powers' Block lochester N. Y. junescowly ANOTHER ECLIPSE.

Important to Farmers. The old reliable Seneca Falls lift and force pump are the best. Over 50,000 in from James Foley, dealer in easily removed than rust, when the knives pumps, gas pipe, brass work, rubber hose lead pipe and sheet lead. Wind mills and lightning rods always on hand. Call and see that you can save 25 per cent. 218 It is the extra feed and the extra ma. Delaware street, Leavenworth, Kansas. Aug. 1, wit.
